PURDUE WILL NOT SEND TEAM TO PHILADELPHIA

Athletes Have Made Poor Showing and Project Has Been Abandoned.

MAY IMPROVE FORM

Special to the Indianapolis Journal.

LAFAYETTE, Ind., April 15.—It has been finally decided by the athletic management at Purdue University that no relay team will be sent to the intercollegiate meet at Philadelphia on April 23, the project, which had been fostered for two months, having been abandoned. Several reasons are given for the change in the plans, chief among them being the fact that owing to the lack of a good gymnasium, running track training could not be begun early enough to get the mile and half-mile runners into condition for an intercollegiate contest. Athletic Manager Cutts has announced that the \$450 subscribed by the student body to be used for sending a relay team to Philadelphia will be devoted to the general fund and used for the betterment of the track team. In another week it is believed that the Purdue athletes will be in much better form than at present. Thomas has increased his former work in the sixteen-pound hammer throw ten inches, hurling the weight 111 feet 10 inches, which is by far the longest throw ever made at Purdue.

M. T. H. S. AND PURDUE TO CROSS BATS TO-DAY

Contest Was Postponed from Last Saturday—Cutts Criticizes Players.

Special to the Indianapolis Journal.

LAFAYETTE, Ind., April 15.—On Stuart Field to-morrow the Purdue varsity baseball team will face the Indianapolis Manual Training High School nine, the contest being postponed from last Saturday. The varsity's work was very ragged yesterday and Coach Cutts indulged in some stiff criticism. The fielding was poor and batting weak and a slump in every department was apparent. Cutts tried out several of the substitutes and may make changes in the varsity line-up. Fenell and Jones, who probably do the pitching to-morrow, being called in to pitch, Fenell is in his right hand by catching a swift ball.

FENCING AND MUSIC ENTERTAIN A CROWD

The numbers on the fencing and musical programme given at the Y. M. C. A. last night were witnessed by a good crowd.

The most interesting of the varied fencing exercises was a cane drill given by Fred Nestor, Le Maire and three of his pupils. The swift, agile movements of the fencers and the perfect union in which they worked was a revelation to those who had never before witnessed a number of this kind. The musical part of the programme was well taken care of by Professor Senner's Ladies' Military Band.

HANOVER WON GAME FROM FRANKLIN TEAM

Special to the Indianapolis Journal.

HANOVER, Ind., April 15.—The Hanover-Franklin baseball game this afternoon was called at the end of the sixth inning on account of rain. The score stood 8 to 4 in favor of Hanover.

Too Cold for Athletics.

The cold weather has seriously interfered with the outdoor work of the Manual Training High School track team, and in response to Captain Dugan's call only a few men turned out. The team will use the gymnasium as the baseball team and will train on the track running along the creek at Brookside Park. Training will begin this morning at 9:30 o'clock.

HOGRIEVER IN THE GAME AND PHILIPPINOS WON

He Put Life Into the Game and the Fort Wayne Team Was Easily Defeated.

PLAYED SIX INNINGS

In that Time Indianapolis Piled Up a Big Score and Batted Very Well.

The forty-four fans who took chances on being blown off the field in the erratic weather and ventured to Washington Park yesterday afternoon to witness the last game between Indianapolis and Fort Wayne noticed a wonderful change in the work of the Philippines, and it was pleasing to see how much stouter the bidders for American Association honors put into the play. Scanning the field, they saw a familiar figure in the right field, and a ripple of applause was started by the handful of fans. In right garden was George Hogriever, who has trod that territory for several years in an Indianapolis uniform and who came to terms with the management yesterday to play this season.

With Hogriever in the game it was easy to realize that a fresh supply of pepper. His appearance worked wonders and instead of loathing, as the Philippines did in Thursday's game, they waded in and wrecked the railroads' chances of winning in the first inning. After playing six innings the visitors announced that they would have to quit and that the score stood 10 to 4 in favor of Indianapolis.

The weather was very eccentric during the afternoon. Storms were threatened every few minutes and a heavy hail blew across the field most of the afternoon. In the second inning it became so dark that the managers wished they had a few electric lights to scatter around the park, just to show the fans that Indianapolis was strictly in the running this year, and that the game on Thursday could not be taken as a criterion of the playing strength of the Philippines. Manager Phillips made a slight revision in the playing and batting order. Hogriever led off and registered a single the first inning and took the lead. He was sent to left field and the regular infielders were in their positions. Leslie was sent to the bat. He made a sacrifice bunt, and with the exception of the five innings, and with the exception of the third, when he was rather wild, and the fourth, when he was rather wild, and the fifth, he made a better showing than at any previous time this spring. Newlin pitched the last four innings for Fort Wayne and the Hoosier batters found it like going to the moon. He took a walk to the plate and secured their safe hits off him. Mullin succeeded him in the fifth and he was relieved with his arm as Sporer, who twirled the last inning for the visitors.

The fielding of both teams was very fast considering the heavy wind and the dust that blew across the diamond. The batting of the Hoosiers was excellent in the first five men in the list yielding the willow with a vengeance. McGreehey led the track teams of all Indiana associations, and the first inning and was never headed. Score:

BASEBALL GOSSIP.

Hogriever Signs, and with Swander Team Will Be Complete.

The sun will shine much brighter now. Our hearts will be lighter now. Our team will be a fighter now. Phil Phillips will feel swell, you know; he'll play every ball game.

The club will play like hell, you know; for Hogriever is in the fold!

George Hogriever and Manager Phillips came to terms yesterday, and Hogriever joined the team at once, playing his regular position against Fort Wayne in the game in the afternoon. The terms of the settlement were not made public, but Manager Phillips is well satisfied, and Hogriever played in the game as if he would give the team his best effort. It will be remembered that it was remarked in these columns early in the week that a familiar face would be seen in the sun field, as it was believed then that a compromise would be made whereby Hogriever and the club would come to terms. With Hogriever in the fold the prospects become much brighter, as the fans know that the sun field will be well rounded the way with Hogriever, after signing his contract, will work just as hard for runs as he has in the past.
